The sanction must be reasoned in a letter and send to the national federation. The fines have to be arrived at the IIA-account at least after 10 days, at least one day before the beginning of the competition. At the competition the letter is given by the IIA directly to the Head of delegation and must be paid in cash.

In case of litigation between IIA and a National Federation the parties concerned try to find an amicable solution. The final decision in such a case will be taken by the General Assembly.

The present regulation will be valid from 10th of January 2009.
